

DEPARTMENT OF FISHERIES
JAMMU AND KASHMIR GOVERNMENT

C I R C U L A R

It has been noticed that monthly progress reports under State Capex Budget and various centrally sponsored schemes viz RKVY, NFDB, Strengthening of Database & GIS, National scheme for Welfare of Fishermen, Blue Revolution etc. being implemented in Fisheries sector along-with developmental note on notable achievements are not submitted on time resulting in delay in compilation and further submission to the higher authorities at the Directorate level. The slow progress in execution of developmental works approved under State Capex 2016-17, besides construction of Low Cost Houses and establishment of Trout/ Carp units in private sector is a serious cause of concern as only four months are left for closure of the financial year.

To bring more efficiency in the project delivery and adhering the time-lines for completion of various projects/works, it is impressed upon all the DDOs to submit the scheme-wise, object-wise progress reports by 1st of every month to their respective Joint Directors with advance copy to this Directorate. The Joint Directors shall submit the consolidated information in respect of the Drawing and Disbursement officers under their administrative control to this Directorate by 3rd of every month complete in all respects for its further submission to Administrative/ Planning Department by 5th of every month.

(R. P. Singh Bafi)
Director Fisheries
J & K Government
